

Scorpions Newsletter August 2017

Welcome

Well where did that season go? As we rapidly approach the end of season a couple of reminders regarding finals and qualification to play are included below. We do have some exciting news on a committee level, Kristen Jessen has started as our new team manager coordinator, and Corie Hill our coach coordinator.

Development squad

Now that we have secured Oakleigh rec centre as a new training venue we have started the development squad for players who are considering playing in the upcoming season. Thanks to Matt Bright and Anthony and Suzie Hotchin who have been instrumental in getting this off the ground.

Finals Structures

Although most sections will run the traditional top 4 (1 v 4, 2 v 3), some sections have been combined and therefore have different setups. These are all listed on the Waverley website [here](#). I'd recommend teams in these sections have a look so they know where they sit with regards to finals.

Finals Qualifications

Teams should be checking these lists now. They are automatically updated each week after games, and clearly show which players are qualified, and if not, how many games they still need to play. Any issues with qualification should be raised as early as possible. Qualification lists can be found [here](#).

Summer Season Registrations

A reminder registration for the [Summer Season 2017/2018](#) closes at midnight this Sunday 20th August.

Summer Playing Dates

The playing dates for Summer are prepared in accordance with the school term dates. Dates can be found on the Waverley website [here](#).

Grading

Here we are nearly at the end of the season and we are considering team selections for next summer. We will again grade under 12 and 14 teams with grading next Thursday 24th August at Waverley. Please wear your Scorpions shirts to make the recognition of players slightly easier.

- U12 Girls - 4:30 - 5:10pm
- U12 Boys - 5:10 - 5:50pm
- U14 Boys - 5:50 - 6:30pm

Conduct

Please note the information regarding conduct received from Waverley recently, we are fairly certain that this doesn't relate to our club, but a timely reminder to maintain composure when both celebrating and commiserating. Our Code of Conduct can be found [here](#).

Thanks

To the wonderful people who have got us all through another financial year. There is a lot of work that goes on behind the scenes, the coaches, the team managers, the parents and of course the committee. To you all, thank you.

Nic Thomas
President
