

Scorpions Newsletter May 2018

Welcome

Welcome to Winter, both the weather and the basketball season! Thanks to all who have donned the Scorpions uniform again this season, we have 33 teams playing this season. Please see a couple of reminders and updates:-

Code of Conduct

As a reminder when a player registers to play with our club, a Code of Conduct is agreed to by both the player and spectators. When courtside any action good and bad reflects on us as a club. There may be times when you are unhappy with the decision of the referee, the coach, or the players, please remember that the correct course of action in expressing your concern is through the committee.

Grading

We are quickly drawing to the end of the 5-week grading period. As a committee part of the team selection process is also requesting the section for each team, in the situation where the team has been placed in the incorrect section, please ensure you notify the Coach Coordinator who will send a request for review to Waverley Basketball Association.

Nunawading under 14 junior team

Some of you are aware of the one team we have entered into this competition. As a club we are looking for alternative options for teams, in this case we are looking at an option that will eliminate the need to spend a Saturday evening in a basketball stadium!

Coach development

This season we welcome 4 development coaches, this is extremely exciting for the development of the club, the coaches themselves and the teams they are coaching. We will continue to provide training and resources for our coaches, (our first training course was last Sunday) as they are a vital part of our success. If there is someone in your family that is interested in joining in our coach development program, please do not hesitate to contact Corie, our Coach Coordinator.

Social media

We have introduced a club Instagram page, and together with Facebook will be placing updates on these sites, please feel free to follow us on Inst [glenirisscorpions](https://www.instagram.com/glenirisscorpions), and join our group on Facebook – Glen Iris Scorpions.

Secretary – position vacant

We are looking for someone to take up the position of Secretary. It's not a time consuming role but one you will find allows you to give back, have fun and get involved if you don't know much about basketball. Ginny has been the club secretary for a number of years, and has been a great asset to the committee and club. If you are interested in hearing more, please contact glenirisdistrict@gmail.com and Ginny will provide a description of the role.
