Coaching

If you are interested in coaching and are able to coach a team, please tick YES.

The club will provide training and support to new and experienced coaches.

Waverley Basketball Association require all teams to nominate a game day coach/representative. Our club also requires a coach/team representative to run a week day training session with their team at the allocated time for Under 14 and younger age groups. The game day coach and training roles can be shared.

All coaches must hold a valid Working with Children Check (WWC).

Team Manager Role

A Team Manager is usually a parent from the team who coordinates communication for their team for the season. They will be supported by the Scorpions Team Manager Coordinator, so no prior experience is needed! This season we will be asking that Team Managers also hold a valid WWC. If you are able to volunteer as a Team Manager, please tick YES.

Social Media

The Glen Iris Scorpions website, Facebook and Instagram pages are a quick and easy way for the club to disseminate information to our families, engage with our community and share our teams in action at training, games & events. These club social media channels are publicly accessible by all internet users. The club may share team information, photographs and videos, but no individual information is included.

Nominating team mates

For our full team selection and grading policy please read [here](#)

For Under 8 and Under 10 groups - Where possible and numbers permitting players will be placed with at least one nominated friend or existing team mate. Experience and skill level will also be considered in order to create optimally balanced teams. There are three fields to nominate a friend so please use all three fields. If you only complete one or two fields there is no guarantee you will be placed with that nominated friend.

For Under 12 - Under 14 groups - All players in these groups must attend the applicable grading session for their age group, which will be held on **Thursday August 18th & 25th**. Players who do not attend the grading sessions will be placed in a team at the Age Group Co-ordinator's discretion. Whilst you can still nominate team mates you would like to play with, the greater emphasis will be on forming teams of even skill level.

For Under 16 groups & over - There is no grading for these groups, however, a greater emphasis will be placed on player skill level and creating evenly skilled teams. You may still nominate team mates you wish to play with and this will be considered by the Age Group Co-ordinator when selecting teams.

Parent/Guardian & Emergency contact details

PlayHQ will ask for a second parent/guardian details – it is NOT mandatory to fill this in.

PlayHQ will also ask for emergency contact details. This can be the registering parent or another individual.
